

“BEST FISH” PHOTO CONTEST

August 10, 2009

**Land O’ Lakes Purina Mills announces the April
winner for the Purina Mills AquaMax™
“Best Fish” Photo Contest.**

Murchison, TX– The winning entry for the month of April comes to us from Zay Ridgle of Murchison, Texas. Young Zay (10 years old) hooked into a Large Mouth Bass that tipped the scales a tad over 9 pounds, and measured 24.25” in length. Zay is the son of Pam and Joey Ridgle, who are long time customers of Purina Mills dealer–Scott’s Crossing Feed Store.

Zay and Doug Atkinson (of Scott’s Crossing) both received a trophy replica mount of Zay’s winning Large Mouth Bass. Purina Mills sales representative Troy Lopez was on hand to present the award.

The replica trophies are produced by Advanced Taxidermy & Wildlife Design– one of the premier taxidermist designers in North America.

Bob Lusk (publisher of Pond Boss Magazine) and renowned sportsman Ray Scott (founder of B.A.S.S.) were judges for the contest.

Each month throughout 2009, Purina Mills **AquaMax™** Fish Feed will select a winner from submitted entries to determine the “**Best Fish**” for the month. Anyone can enter the contest, so if you’re fishing, take a camera along. You can find out more about this promotion by visiting our website at www.AquaMaxBass.com.
